

**ALEPH
PRESCHOOL**

**Beth El
SYNAGOGUE**

Dear Families,

It is so hard to fathom that the time has arrived to prepare for the 2020-2021 program year! We are thrilled to share this year's registration information with you. For your convenience, [registration is online](#). Jen Cole, our Aleph Preschool Administrative Coordinator, will be in touch via email in the coming weeks once you've registered to process your child's registration intake. If you have not received an intake email by January 11th, please reconnect with us.

Beginning Monday, December 2nd, registrations will be accepted on a first-come, first-served basis, subject to availability. Current Aleph Preschool families will have 72 hours to register prior to registration opened to the community on December 5th.

We are very excited about our growth and encourage you to register as soon as possible to ensure your child has a space for next year! Subsequent to your intake, should there be space available, your child will be officially registered for the school.

Please note: in order to staff rooms accordingly, we will be unable to process teacher/friend requests for classroom placement. Applications must be submitted electronically along with your \$160 registration fee, Kinder Camp registration is \$75. Applications received without a registration fee will be considered incomplete.

Some need-based tuition assistance may be available. Our tuition assistance process is both blind and confidential. Tuition assistance applications are due by **March 1, 2020**. To start the tuition assistance process please be sure to indicate such on your registration intake form.

Be advised, reductions made to your enrollment selections after April 1st will be assessed a \$150 change fee. Any changes made to registration from June 2020- May 2021 require a 30 day written notice to go into effect.

By registering you accept Aleph Preschool Policies including tuition, change down fees, and 30 day cancellation notification. Further, Aleph Preschool reserves the right to terminate a child's enrollment at the discretion of the School.

We look forward to another *ruach*-filled year at Aleph Preschool!
