Beth El  
SYNAGOGUE

Dear Families,

It is so hard to fathom that the time has arrived to prepare for the 2018-2019 program year! We are thrilled to share this year's registration information with you. For your convenience, initial program [registration will occur online](#). Jen MacDonald, our Aleph Preschool Administrative Coordinator, will be in touch via email in the coming weeks to process your child's registration intake. If you have not received an intake email by January 11th, please reconnect with us.

Beginning Monday, December 11th, registrations will be accepted on a first-come, first-served basis, subject to availability. Current Aleph Preschool families will have 72 hours to register. Registration will then open up to the community on December 14th.

We are very excited about our growth and encourage you to register as soon as possible to ensure your child has a space for next year! Subsequent to your intake, should there be space available, your child will be officially registered for the school. Please note we will be unable to process teacher/friend requests for classroom placement this year. Applications must be submitted electronically along with your \$150 registration fee. Applications received without a registration fee will be considered incomplete.

Some need-based tuition assistance is available. The tuition assistance process is confidential. Tuition assistance applications are due by **March 1, 2018**. To start the tuition assistance process please be sure to indicate such on your registration intake form.

To register please [follow this link](#).

**Be advised, changes made to your enrollment selections after April 1<sup>st</sup> will be assessed a \$150 change fee. Any changes made to registration from June 2018- May 2019 require a 30 day written notice to go into effect.**

By registering you accept Aleph Preschool Policies including tuition, change down/cancellation obligations.

We look forward to another *ruach*-filled year at Aleph Preschool!
