SYNAGOGUE**

Dear Families,

It is so hard to believe we are halfway through this current school year. A year that has been like no other in so many ways, but one that we have navigated successfully for our preschool families, children, and staff. We feel confident and excited as we open enrollment for the next Aleph Preschool year.

As APS looks at a “new normal” for next school year, we are reinvesting in your children. You will see this in the ratio changes for each age group. **Please open attached tuition sheet with schedule options and see below for class descriptions and teacher/child ratios.**

We have also listened to your feedback regarding registration. Starting this year, we have made two notable changes to registration:

1. Registration has been lowered to \$150.00 and will only be required one time per year (including for those who have children in Kindercamp)
2. Registration fees remain non-refundable but will apply to your child(ren)’s May tuition.

Beginning Monday January 11, 2021, registration will open for our current Aleph Preschool families. You will have 48 hours to register and registrations will be accepted on a first-come, first-serve basis, subject to availability. On January 14, registration will open to last year’s Aleph Preschool families, then open to the community on January 15.

For your convenience, [registration is online](#). Jane Andersen Flam, Aleph Preschool Administrative Coordinator, will be in touch via email once you have registered to confirm your child’s enrollment and schedule option.

We will offer limited openings in each age group, for full time and part time options. Therefore, we encourage you to register as soon as possible to ensure your child/ren have a space for next year. **(Please note: Select your child’s schedule option when registering)**

Applications must be submitted electronically along with your \$150 registration fee. **Please note, new this year, your registration fee will be applied to your May 2022 tuition.** Applications received without a registration fee will be considered incomplete.

Be advised, reductions made to your enrollment selections after April 1st will be assessed a \$150 change fee. Any changes made to registration from September 2021- August 2022 require a 30-day written notice to go into effect.

By registering you accept Aleph Preschool Policies including tuition, change down fees, and 30-day cancellation notification. Aleph Preschool reserves the right to terminate a child’s enrollment at the discretion of the Preschool.

We look forward to a wonderful school year with your children.

Thank you,

Karen
